in the hilly and backward areas of the country;

(b) if so, what are the details thereof; and

(c) what are the names of hilly areas which are proposed to be identified for the purpose ?

THE MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY AND IN THE DEPARTMENTS OF OCEAN DEVELOPMENT, ATOMIC ENERGY, ELECTRONICS, AND SPACE (SHRI SHIV RAJ PATIL): (a) to (c) : Union Government does not have specific plans to set up electronic units in the hilly and backward areas. However, the concerned State Governments take steps to get electronic units in their hilly areas. The DOE gives them technical advice. Government's Electronics policy permits location of electronics industry in any permissible area. This policy is uniform for all State. It is left to the State Governments to create local climate so as to attract enterpreneurs and take other promotional measures. With a view to encourage more Electronic industries in Hill districts included in Category 'A' it has also been decided that the maximum ceiling of Central Investment subsidy would be raised Irom Rs. 25 lakhs to Rs. 50 lakhs at the rate of 25% in case of Electronic industries set up in 'Special Region District's in Category 'A*.
